### Host for Habitat

Want to show off that new deck or your new house without seeming like you're bragging? Host a Habitat House Party. Invite your friends over for a evening of fun and friendship and in lieu of a hostess gift ask them to make a donation to Habitat for Humanity Hamilton. That way everyone can enjoy their evening out with friends and still feel good about helping their community to grow stronger. This year we are planning four more new homes in Hamilton for four Hamilton families, you can help make that happen.

For more information on how you can make this a reality call Gail at the Habitat for Humanity Hamilton office 905-560-6707 ext 108 or [email her](#).

### Dedication Day - March 27, 2011

Welcome Home Celebration

### Dedication of the Robert Land Project

## Phase 1 - March 27, 2011

Remarks by  
Collin Potter, Chairman

Good Afternoon

What an honour it is to stand here today as the Chair of the Hamilton Affiliate of Habitat for Humanity to celebrate the near completion of Phase 1 of the Robert Land Project. This is a day that has been long awaited by so many of us involved in this vision. And what a vision it was!

Habitat for Humanity is referred to as a faith based organization, and it is. But I want to tell you that the faith goes beyond theology. When we have needed help to get things done, somehow the right resources have come out of the woodwork to make it happen. I cannot say enough about the incredible people that we have volunteering with us. They have come out in all kinds of weather, long hours and adverse conditions to contribute what they can to help us put our partner families into affordable homes. We estimate that there could be more than 1,000 people who have touched this project directly and indirectly so that our four families will finally have a place that they can truly call home

Finally, I would like to express my appreciation to the wonderful Partner Families that have agreed to be a part of this project. You have worked hard to complete your Sweat Equity Hours and you have earned your right to live in these homes. You have inspired our work and have shown us that low income has not been a barrier to being good families with good values. I congratulate you all for your hard work and wish you many years of joy and happiness in your new homes.
